Y'all like photography- this is evidence against the people who want y'all dead. Those are all illegal magazines, they cost \$8. Don't worry, they're not mine and I went inactive so I'm sure the LPD is like totally on it! Oh don't mind the postal bag- that's just full of bomb making shit. I feel so free not having to worry anymore. Thank you. Good luck out there. I'm sure the authorities are like totally on it without me. Besos!

There's a lot of them. 🚫

P.S. This cannot be CORA'd. You're looking at federal evidence of people who've yet to be arrested. Trials etc coming up assuming they survive to make it to trial...

The email address [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com) has been identified as that of belonging to Desiree Marie Gonzalez 022280 based on past communication that Detective Paisley with the Lakewood Police Department has had with Desiree. Desiree has communicated via email with Detective Paisley on numerous occasion which she has sent him emails from [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com) and has responded to emails from Detective Paisley at the above email address.

Due to Mayor Adam Paul of Lakewood and City Council member Jeslin Shahrezaei receiving and reading these above emails from [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com) and informing the Lakewood Police Department of the emails. I interviewed Mayor Paul and council member Jeslin regarding the emails and learned the following.

On 120622 at approximately 1503 hours, I spoke with Mayor Paul who informed me that these emails from [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com) who is identified as Desiree Marie Gonzalez 022280, "are out of control and very threatening to me, members of city council, and members of city hall. Desiree is making very concerning and scary threats and including pictures of bomb making material, guns, and ammunition. This is very concerning to me as a leader of the community as the safety of the community is paramount."

Mayor Paul then informed me that there are specific quotes from the email messages that are very concerning to him, is she (Desiree) wanting to hurt someone, or a member of law enforcement, or herself. Mayor Paul then read from the email thread identifying to me the quote he felt was most concerning, "The FBI counter terrorism is on another assignment. This gun with either A. Be evidence for the FBI or B. Be evidence of a mass shooting. Who Knows! Not my problem anymore. You don't know the Lakewood I do, but you just might." Mayor Paul stated, "that talking about a mass shooting is very concerning and threatening the safety of the community, council member, and city hall members."

Mayor Paul was also concerned about the email message talking about bombs being spread out everywhere, which he read to me from the email messages, "Those bomb kits-they're spread out everywhere. I was getting all the locations. Looks like we won't get them all. Oh well. You can't win them all." Mayor Paul identified "look there is even a picture of a bomb next to the message. This is very dangerous and causing alarm to a leader of the community and safety of the community."

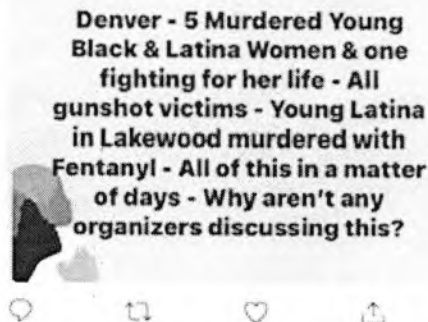

On 112822 at approximately 1330 hours, I had met with the mayor to investigate threatening emails that were being sent to him by an unknown sender. During the course of this investigation the mayor had brought up Desiree as a possible party of interest due to past emails that Desiree has sent the mayor engaging in defamation of the mayor's character, harassment of the mayor, and called him a sex offender

This is screen shot from social media that the mayor had previously received from Desiree where she refers to the mayor as a pedophile.

Our Mayor is a pedophile and all he does is hide anyway so no expectations there. Not much more with you either @MayorHancock

The above screen shot sent from the mayor further substantiates the email message that Desiree sent out On Tue, Dec 6, 2022 at 11:40 AM Desiree Gonzalez <[desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com)> wrote:  
Say my name again you child predator. Falkor!

I then contacted and spoke with Jeslin Shahrezaei who is a member of the Lakewood City Council and received the email messages as well. Jeslin informed me of the following: Jeslin feels "unsafe particularly because of the email messages from [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com) who is identified as Desiree Marie Gonzalez 022280. Jeslin feels that the "tone and pictures included in the email are threatening. There are pictures of bomb equipment, a gun, and a quote directed towards city council members: (I was talking to the Councilors I was, to be reminded there is good and there's a good reason to die for this. Thank you for letting me know that's absolutely not true. Die on.) Jeslin felt like this was a direct threat to her and was being specifically named as being a member of the city council. Jeslin is concerned for the safety of her family due to the emails.

Due to the emails sent to Lakewood City Council members the city of Lakewood shut down the city office for the day. Officer security details have been assigned to council members who believe their lives are at risk due to the emails.

I reached out to neighboring agencies to see if they have dealt with Desiree in the past. I was informed by Investigator Fosler with the Jefferson County Sheriff's Office JTFF that Desiree was a subject of investigation for the FBI. I spoke with Agent Dave Love of the FBI who has had past interactions with Desiree. Agent Love informed me of the following information after he reviewed the above email messages from [desireegonzalez1980@gmail.com](mailto:desireegonzalez1980@gmail.com). Agent Love told me the following: He believes that Desiree is providing information on a case that the FBI was investigating. Agent Love was able to positively identify and verify that two of the pictures in the email messages were associated with a past investigation in April 2022 which Desiree provided to the FBI. The two photographs from the email that Agent Love verified are the loaded magazines on top of the ammunition canister and the Pyrodex muzzle loading powder held above an ammunition canister.

Agent Love advised that the information that Desiree was providing could not be substantiated through an investigation by the FBI. Agent Love stated that the FBI has been unable to substantiate any information that

Desiree has provided to them in the past. The FBI have since cut ties with Desiree due concerns of undiagnosed mental health issues she may be suffering from. Agent Love informed me that he does not believe that Desiree is in possession of any of the photographed items in the email message and a majority of the context of her message refers to a past FBI investigation, which were unsubstantiated.

Based on the above interviews there is probable cause to arrest Desiree Marie Gonzalez on two counts of Retaliation against a judge or an elected official 18-8-615(1.5) (a)(I) and two counts of felony menacing 18-3-206(1)(a)(b) as Adam Paul is the elected Mayor for the city of Lakewood (Mayor Paul) and Jeslin Shahrezai is an elected member of the city council.

Nothing further at this time.

Based on the aforementioned information, your affiant requests review for probable cause and, if found, respectfully requests that a warrant be issued for the arrest of **Desiree Marie Gonzalez (2/22/1980)** on the charge of **Retaliation against a judge or an elected official 18-8-615(1.5)(a)(I)** and of **felony menacing 18-3-206(1)(a)(b)** Mrs. Gonzalez is described as a White female approximately 5'09", 160 lbs, with brown hair and brown eyes. She has Social Security Number [REDACTED]
